Women in Animation, VFX and Visual Art in Germany

On Thursday, June 6, 2019, the ANIMAFEM group held a joint meeting at the 2019 Annecy International Animation Film Festival. ANIMAFEM is a network of German women in the animation sector that promotes the inclusion of women in the sector, as well as the development of women in their careers. The group consists of people from diverse animation backgrounds and talked about the next steps for the initiative and establish working groups on certain topics like work-family balance or mentorship. It was the first meeting since the start of the initiative in Stuttgart and the launch of their survey to participate in the survey. For women in all branches of animation as well as mentoring, talent promotion, career.
